Advisory Committee Policy

Version: 4.2
Date adopted: 21 February 2017
Responsible Department: Governance

1. Purpose
This policy guides the establishment, operations, review and disbanding of Advisory Committees.

2. Definitions
Council means Casey City Council, being a body corporate constituted as a municipal Council under the Local Government Act 1989

Councillors means the individuals holding the office of a member of Casey City Council

Council officer means the Chief Executive Officer and staff of Council appointed by the Chief Executive Officer.

3. Scope
All Advisory Committees established by Council are covered by this policy with the exception of the Audit and Ethics Committee which is regulated by section 139 of the Local Government Act 1989 (The Act).

4. Context
The establishment of an Advisory Committee is dealt with under sections 3(1) and 86 of the Act.

There is a growing expectation by stakeholders, communities and customers that they will have an opportunity to influence government decisions that affect their lives. Advisory Committees are one of a number of ways of enabling public participation in decision making. Such a committee may be established to provide strategic level input into a broad area of Council’s operations. An Advisory Committee may also be appropriate in the case of a specific time-limited project, such as a review of a Local Law.

In line with the definition of Advisory Committees in Section 3 of the Act, Advisory Committees advise Council. They are not responsible for expenditure and cannot

direct Council officers. Where Advisory Committee recommendations are beyond the delegated power of Council officers, recommended actions, along with the minutes of the meeting are submitted to Council for final decision.

5. Policy

5.1 General Advisory Committees

An Advisory Committee shall be established by resolution of Council.

Prior to the establishment of an Advisory Committee, Council shall consider a report covering the following issues:

- Why an Advisory Committee is appropriate
- The terms of reference of the proposed Advisory Committee
- The likely length of time the Committee will exist or be the subject of a review

a. Award and Grant Specific Panels

Council will appoint members of the community to award and grant selection panels. Award Panels are different from Advisory Committees in that they do not provide strategic level input, but assess nominations for awards and grant applications against predetermined criteria.

Panel meetings are convened for the specific purpose of assessing the nominations and applications. No quorum is required. The Panel will make recommendations which form the basis of a report to Council, but no formal minutes are required.

Similar to Advisory Committee meetings, the following protocol applies to panel meetings:

- The Panel will likely constitute an Assembly of Councillors which will be reported to Council;
- A Councillor will chair the meeting;
- Members of the community who have not been recruited to sit on the Panel are not able to attend meetings;
- Information discussed, received, used or created by the Panel is confidential; and
- Indirect or direct conflict of interest must be declared.

b. When is an Advisory Committee appropriate?

An Advisory Committee is appropriate where it can be used to gain strategic level input from a broad cross section of the community, or from individuals with specialist expertise.

An Advisory Committee is not appropriate where the subject matter is operational or there are more effective and inclusive ways of gaining representative community input from and communicating with relevant members of the community.
c. **Terms of Reference**

The role of an Advisory Committee, including the limits to its power, shall be clearly defined in terms of reference for Council adoption.

The terms of reference of an Advisory Committee should be consistent with and refer to this policy. A copy of this policy and the terms of reference should be provided to all new members of an advisory committee.

d. **Membership and Term of Appointment**

The membership of an Advisory Committee will vary depending upon its specific role.

Each Advisory Committee should consist of the following:
- Up to four (4) Councillors of the City of Casey
- Up to twelve (12) community representatives
- Two (2) Council staff representatives.

Recommendations will be made to Council for deliberation on membership. Council delegates shall generally be appointed for one-year at the annual Special Council meeting which elects the Mayor. Community members shall be appointed in accordance with clause 5.6 of this Policy.

Community members shall form a majority of members on a Committee. Membership to the Committee is aligned to the Council Plan with an interim review every two (2) years. This will allow the Committee to assist in the delivery of strategic long-term outcomes. All members are eligible for re-appointment. Council encourages Advisory Committee membership that reflects the diversity of the community.

A member may resign from an Advisory Committee at any time by advising of their resignation in writing to the Chairperson. Council may appoint a community representative to fill the vacancy for the remainder of the term.

A member who is absent for more than two (2) consecutive meetings, without leave or reasonable excuse, may be requested to explain their absence. In the event that absenteeism of a member is ongoing, the Committee may request Council to declare the position vacant.

Meetings are closed to members of the public due to confidentiality of matters discussed.

e. **Community Member Selection Process**

Community representatives shall be selected through a nomination process, advertised in local newspapers, Council’s website, Facebook Page and other relevant networks relating to the Advisory Committee area of interest. An assessment panel of at least one delegated Councillor and two community members of the Committee will recommend on the selection of representatives to fill vacancies. Council officers will provide recommendations for membership in a report to Council for final determination.
Community membership will be based on the following criteria:

- Willingness to make active contribution to discussion;
- Strong community networks and linkages;
- Current involvement in the community in the interest area that relates to the purpose of the Advisory Committee; and
- A capacity to commit to the Advisory Committee for the required duration.

f. Membership Voting Rights and decision making

For voting purposes, the Chairperson shall accept motions duly moved and seconded by members of the Advisory Committee and the vote taken by a show of hands. Council officers and guest are not members of the Advisory Committee and do not have voting rights.

Councillors who are not members may attend as observers but are not entitled to vote.

A quorum of members is not less than fifty percent of the number of members of the Committee who are entitled to vote.

If a quorum is not present within half an hour after the scheduled commencement time of an Advisory Committee meeting, the meeting is to be abandoned.

Consensus decision making is preferred. However, all members are entitled to vote and a matter may be voted upon at the discretion of the Chairperson, who shall have a casting vote in the event of an equal number of votes.

g. Chairperson

The position of Chairperson shall be filled by a Councillor. In the event of a Councillor not being in attendance, the Committee will appoint a temporary Chairperson for that meeting.

h. Administration and Reporting of Minutes and Recommendations to Council

All secretariat tasks for the Committee will be undertaken by Council officers.

The relevant department manager is responsible for the appointment of a Council officer(s) to undertake administrative tasks of the Committee and to attend all meetings.

All minutes of the Advisory Committee meetings will be presented to Council at the earliest possible Council meeting. Council officers will prepare a report to accompany the minutes of each meeting.

Matters relating to meeting procedures shall be governed by Local Law No.1 2016 – Meeting Procedures and Use of the Common Seal and this Policy, as amended from time to time.
As a guide, the following information should be included in the minutes:

- The name of the meeting;
- The date, time and place of the meeting;

Councillors must comply with the Councillor Code of Conduct.

j. **Volunteers**

Advisory Committee members other than Councillors are volunteers. Following appointment by resolution of Council they must sign a declaration that they will abide by any guidelines approved by the Chief Executive Officer to cover the conduct of volunteers, including the avoidance of conflicts of interest, and undertake training and skills development as required. Council’s Code of Conduct for volunteers must also be complied with. A copy of the Code must be provided to all new members.

Volunteers must also comply with the City of Casey Trademark Behaviours: Show Respect, Take Responsibility, Be Positive, Listen and Respond, Think Things Through.

k. **Sub-Committees and Working Groups**

Sub-Committees and working groups may be formed if allowed for in the Advisory Committee’s terms of reference. Membership of sub-committees and working groups is limited to members of the relevant advisory committee. The sub-committee covers specific areas of interest relating to the Advisory Committee and plays less of a strategic role than the Advisory Committee.

The sub-committee/s should meet prior to the Advisory Committee and is supported by a specialist officer. Committee members have the option of nominating which sub-committee/s they wish to sit on.

No minutes are kept of the sub-committee meetings, but the report-back is incorporated into the Advisory Committee minutes that are reported to Council.
I. Non-members

Non-members may be invited to attend an Advisory Committee to present or provide specialist advice. However, they must not be involved in the development of recommendations to Council.

m. Assembly of Councillors

Once a declaration of either a direct or indirect conflict of interest has been made, the member or attending Councillor must leave the room and remain outside until the conclusion of the relevant discussion. The time of leaving the meeting room and the time of their return must be recorded in the minutes or notes of the meeting.

If a member of an Advisory Committee nominates for Council elections they must stand down from their Committee position from the time of declaring they have nominated until the result of the election is announced.

The City of Casey, by resolution of Council, may terminate a Committee member’s term for making any statement to the media or on social media.

p. Confidentiality and non-disclosure

Information discussed, received, used or created by the Committee is confidential. Any member of the Advisory Committee must not disclose information that they know, or should reasonably know, is confidential information (in accordance with Section 77 of the Act). Council may, by resolution, at any time call for a review of an Advisory Committee.

s. **Reporting the Results of a Review**

The results of a review shall be reported to Council prior to the Committee’s third anniversary in operation, or earlier if specified in the terms of reference or if a quorum is unable to be formed. The report shall consider:

- The review findings, including the Committee’s achievements; and
- Whether there is a demonstrated need for the Committee to continue.
