Winter Arts Festival’s 17th year will forever be remembered as the year of the ‘bunnies’! Amanda Parer’s Intrude was an installation of giant inflatable bunnies that lit up the night sky in the Bunjil Place Plaza. Hundreds of families came each day to play, photograph and wonder at these fabulous and fun characters.

The festival launched at Bunjil Place to the drumbeat of the Australian Tamil Arts Drumming Association. Boon Wurrung man David Tournier welcomed the crowd with a smoking ceremony in the Plaza and Mayor Amanda Stapledon and Cr Tim Jackson officially launched the festival. Cranbourne Chorale, Casey Choir, Star Search for a Cause and performances by Voices of Casey and Cranbourne Chorale, BATS Theatre’s Return of the Vicar of Dibley, and many innovative contemporary performance works across the council. The 150th anniversary of the Beneck Church of Christ was celebrated with a community arts festival which included an art trail, and the popular Open Studios weekend featured the work of over 30 artists across Casey and Cardinia. She Blossoms was a unique project across the Casey-Cardinia Libraries and featured bridal clothing from along the Silk Road, organised by Naureen Choudhry and Revati Ilanko (supported by Circle of Peace Inc and Kalpavriksha Sarees and Handicrafts).

The 2019 Winter Arts Festival featured over 80 events with over 500 artists and performers involved and we thank all those who made the festival a resounding success. Thanks also to the volunteer members of the Winter Arts Festival Working Group, whose efforts in the lead up to the festival contributed to a fantastic program.

It’s not too early to begin thinking about your 2020 Winter Arts Festival event, contact arts@casey.vic.gov.au to ask any questions or share your ideas with a member of the Arts Team.

Spoken Word

I am learning to build a home in my soul, where I am able to take myself to a place where I am safe, comfortable, loved & free just to be... no matter where I am in the world.

To me, I want home to be the beating of my heart & the depth of my breath, not just a physical place I occupy. I want these both simultaneously, I want the feeling of home with me everywhere I go...
