Conditions of Use

1. The permit shall be valid for (12) months from the date of issue.
2. Application for renewal shall be made at least two (2) weeks prior to the expiry date. The onus of renewal is placed on the permit holder and is part of the condition of issue.
3. The permit remains the property of the City of Casey and must be returned within 7 days of being requested to do so.
4. The permit will be in the form of an electrostatic label which should be affixed to the bottom of the vehicles windscreen on the passenger side. It should be clearly visible and must be removed at the expiry date. This label is transferable between vehicles owned or operated by the permit holder and needs to be displayed in the relevant vehicle parking in the permit zone.
5. The issue of this permit does not guarantee the permit holder a parking space if the carpark is full.
6. The permit will apply only to registered vehicles that fit within the marked parking bays.
7. A vehicle displaying the current permit may park in the area designated for a period exceeding the displayed time on the parking signs. The permit is only valid in the permit area for which it is issued. Permit areas are identified on the respective parking signs. Permits do not give general exemptions to parking regulations.
8. Council reserves the right to add, remove or change conditions of permit issue as it sees fit for the benefit of the community.
9. The fee per permit is subject to review.
10. If a permit requires replacement due to wear and tear or unexpected circumstances, it should be brought to the City of Casey, Bunjil Place, for replacement (free of charge if reasonable).
11. Lost or stolen permits will not be replaced and an application for a new permit will be required (included letter of confirmation of employment).
