

Evans Road, Lyndhurst Level Crossing Removal Project

Incorporated Document
June 2019

1.0 INTRODUCTION

This document is an Incorporated Document in the Casey Planning Scheme (the Planning Scheme) pursuant to section 6(2)(j) of the *Planning and Environment Act 1987*.

The land identified in Clause 3.0 of this document may be used and developed in accordance with the specific controls in Clause 4.0 of this document.

The control in this Incorporated Document prevails over any contrary or inconsistent provision in the planning scheme.

2.0 PURPOSE

The purpose of this Incorporated Document is to allow the use and development of land described in Clause 3.0 for the purposes of the Evans Road, Lyndhurst Level Crossing Removal Project (the **Project**).

3.0 LAND

This document applies to the land shown on the planning scheme maps as SCO3 in the Casey Planning Scheme (the **Project Land**).

4.0 CONTROL

4.1 EXEMPTION FROM PLANNING SCHEME REQUIREMENTS

Despite any provision to the contrary or any inconsistent provision in the Planning Scheme, no planning permit is required for, and no provision in the Planning Scheme operates to prohibit, restrict or regulate the use or development of the Project Land for the purposes of, or related to, constructing, maintaining or operating the Project.

The use and development of the Project Land for the purposes of, or related to, the Project includes, but is not limited to, the following:

- a) Demolition, buildings and works for the removal of the level crossing at Evans Road, Lyndhurst on the Cranbourne Railway Line.
- b) Road and railway works, including but not limited to, works to facilitate the grade separation of rail and road infrastructure, including a new road bridge and provision of new road and rail infrastructure, relocation of utilities and installation of new utility infrastructure (including signals), earthworks, replacement of track infrastructure, access tracks, landscaping, vegetation removal and bicycle and pedestrian shared use paths.
- c) Use and development of land for a railway, including railway tracks and associated communications, signalling, and other rail related infrastructure.
- d) Use and development of land for a road, including associated communications, signalling, and other road related infrastructure.
- e) Buildings and works to facilitate the development of new publicly accessible spaces and public realm improvements including, but not limited to, streetscape and landscape works and associated infrastructure.
- f) Creation and alteration of access to roads.
- g) Relocation of telecommunications infrastructure.
- h) Associated road and rail infrastructure, including power upgrades and overhead infrastructure, cabling and signalling.

- i) Bus stops, car parking, bicycle facilities, landscaping, publicly accessible spaces and loading and unloading facilities.
- j) Ancillary activities, preparatory and enabling works, including, but not limited to:
 - i) Creating and using lay down areas and depots for construction purposes.
 - ii) Stockpiling of excavation material.
 - iii) Constructing and using temporary site workshops and storage, staff car parking, administration and amenities buildings.
 - iv) Removing, destroying and lopping of trees and removing vegetation, including native vegetation and dead native vegetation.
 - v) Demolishing and removing buildings, structures, infrastructure and works.
 - vi) Relocating, modifying and upgrading services and utilities.
 - vii) Constructing fences, temporary site barriers and site security.
 - viii) Constructing or carrying out works to create or alter roads, car parking areas, bunds, mounds, landscaping, excavate land, salvage artefacts and alter drainage.
 - ix) Constructing and using temporary access roads, diversion roads and vehicle parking areas, loading and unloading areas, access paths and pedestrian walkways.
 - x) Earthworks including cutting, stockpiling and removal of spoil, and formation of drainage works.
 - xi) Displaying construction, directional and identification signs.
 - xii) Subdividing and consolidating land.

4.2 CONDITIONS

The use and development permitted by this document must be undertaken in accordance with the following conditions:

Environmental Management Strategy

- 4.2.1 An Environmental Management Strategy (EMS) must be prepared to the satisfaction of the Minister for Planning. The EMS must be prepared in consultation with Casey City Council (the Council). The EMS must include:
- a) A summary of key construction methodologies.
 - b) An overarching framework for site or works specific measures to reduce and manage environmental and amenity effects during construction of the Project.
 - c) A summary of the consultation that informed the preparation of the EMS and a summary of the proposed ongoing engagement activities with Casey City Council, the community and other stakeholders during construction of the Project and enquiries and complaints management.
 - d) A summary of performance monitoring and reporting processes, including auditing to ensure environmental and amenity effects are reduced and managed during construction of the Project.

Native Vegetation

- 4.2.2 Prior to removal of native vegetation (excluding native vegetation removed

under Clause 5.0, information about that native vegetation in accordance with Application Requirements 1, 5 and 9 of the *Guidelines for removal, destruction or lopping of native vegetation (DELWP, December 2017)* (Guidelines) must be provided to the satisfaction of the Secretary to the Department of Environment, Land, Water and Planning (DELWP). For the avoidance of doubt, the information provided to the Secretary to DELWP must include information about any native vegetation that has been, or is to be, removed under Clause 5.0.

- 4.2.3 Prior to removal of native vegetation (excluding native vegetation removed under Clause 5.0, the biodiversity impacts from the removal of that native vegetation must be offset in accordance with the Guidelines, and evidence that the required offset(s) has been secured must be provided to the Secretary to DELWP.
- 4.2.4 In exceptional circumstances, the Secretary to DELWP may vary the timing requirement in Clause 4.2.3.
- 4.2.5 The secured offset(s) for the project may be reconciled at the completion of the project in accordance with the *Assessor's handbook – Applications to remove, destroy or lop native vegetation (DELWP, October 2018)*.
- 4.2.6 For the purpose of this document, the term 'remove native vegetation' includes to destroy and/or lop native vegetation.

Flood Management

- 4.2.7 Buildings and works on land within the Special Building Overlay or Land Subject to Inundation Overlay must be undertaken to the satisfaction of the relevant floodplain management authority.

Other conditions

- 4.2.8 Unless otherwise stated, the conditions set out in Clause 4.2 must be satisfied prior to the commencement of development. The conditions may be satisfied in separate components or stages of the Project but each condition must be approved before commencement of development for that component or stage.
- 4.2.9 The plans and other documents required under Clause 4.2 may be amended from time to time to the satisfaction of the Minister for Planning or relevant approving authority. In deciding whether a plan or other document is satisfactory or whether to consent to an amendment to a plan or other document, the Minister for Planning may seek the views of Casey City Council or any other relevant approving authority.
- 4.2.10 The use and development of the Project Land must be undertaken generally in accordance with the approved plans and documents.

5.0 PREPARATORY BUILDINGS AND WORKS

The following buildings and works may be undertaken and the Project Land may be used in the following manner before the plans and other documents listed in Clause 4.2 are approved:

- a) Preparatory buildings and works for the Project including, but not limited to:
 - i) Works, including vegetation removal, where but for this Incorporated Document, a planning permit would not be required under the provisions of the planning scheme.

- ii) Investigating, testing and preparatory works to determine the suitability of land, and property condition surveys.
 - iii) Creation and use of construction access points, accessways and working platforms.
 - iv) Site establishment works including temporary site fencing and hoarding, site offices, and hardstand and laydown areas.
 - v) Construction, protection, modification, removal or relocation of utility services, rail signalling, overhead and associated infrastructure.
 - vi) Establishment of environment and traffic controls, including designation of 'no-go' zones.
 - vii) Establishment of temporary car parking.
 - viii) Demolition to the minimum extent necessary, to enable preparatory works.
 - ix) The removal of native vegetation to the minimum extent necessary to enable preparatory works.
 - x) Salvage and relocation of aboriginal cultural heritage material and other management actions required to be undertaken in compliance with a cultural heritage management plan approved under the *Aboriginal Heritage Act 2006* or otherwise in compliance with that Act.
- b) Prior to the removal of native vegetation under Clause 5.0 information about the native vegetation to be removed must be provided to the Secretary to DELWP. The information provided to the Secretary to DELWP must include a description of, and maps showing, the native vegetation to be removed in accordance with Application Requirement 1 of the Guidelines.
- c) The biodiversity impacts from the removal of native vegetation under Clause 5.0 must be included in the total biodiversity impacts when determining the offset in accordance with Clause 4.2.3.

6.0 EXPIRY

The controls in this document expire if any of the following circumstances apply:

- The development allowed by the control is not started by 1 December 2022.
- The development allowed by the control is not completed by 1 December 2025.
- The use allowed by the control is not started by 1 December 2025.

The Minister for Planning may extend these periods if a request is made in writing before the expiry date or within three months afterwards.
