

AUGUST 2026

Playgroup

DIRECTORY

Support for families with young children

Join a playgroup and enjoy activities with your child, including music, art, reading, block, imaginary, sensory and active play.

The City of Casey Playgroup Development Team can:

- Help you start a new playgroup
- Assist you to locate and join playgroups
- Support the needs of your playgroup
- Connect you with other support services

For further assistance or information on Community Playgroups in the City of Casey please contact the Playgroup Development Officer.

The City of Casey proudly acknowledges the Traditional Owners, Casey's Aboriginal communities and their rich culture and pays respect to their Elders past, present and future.

We acknowledge Aboriginal people as Australia's first peoples and as the traditional owners and custodians of the land on which we work and live.

DADS' PROGRAMS

The City of Casey recognises the important role that father figures play in their children's lives. We are supporting our dads' and father figures' groups that are led by men from your community. These groups are by local fathers for local father figures and their children.

DADS' PROGRAMS

Jump Start

A safe space for fathers & men.
Talk, connect and build practical
life-tools for your wellbeing.
Led by mental health facilitator.

The Meetup

A gathering of men, fathers, sons,
brothers & mates. Real conversations.
Stronger connections.

CITY OF CASEY SMALL TALK SUPPORTED PLAYGROUPS

Supported playgroups are free, weekly
playgroups run throughout the school term
in various Casey locations. Supported
playgroups are facilitated by a qualified
worker who sets up developmentally
appropriate play experiences, supports
parent-child relationships, builds parent
confidence and capacity, supports social
networks, and provides an opportunity to
learn about local services.

Supported playgroups are currently
available in Berwick, Clyde, Clyde North,
Cranbourne North, Endeavour Hills, and
Narre Warren South.

If you are looking for a supported playgroup
and would like to hear some positive
parenting messages (Smalltalk), please
contact a City of Casey Supported
Playgroup Officer for more information.

WHAT SKILLS CAN MY CHILD DEVELOP AT PLAYGROUP?

Play is how children learn and practice new skills such as:

- making friends.
- building positive relationships with others ie. sharing, turn taking, waiting, patience, kindness and empathy.
- Developing and strengthening fine and gross muscles to support writing, physical activity, health and wellbeing and confidence in their body.

ART = READING AND WRITING

- Art activities develop children's large and fine motor skills necessary to hold and control writing materials such as pencils and pens.
- Through art children learn language and perception.
- During art activities children have an opportunity to communicate ideas and feelings.
- Art extends language through storytelling and imagination.

WHAT IS MY CHILD LEARNING FROM ART?

Exploration:

- Scribbles.
- Explores with mouth, eyes, and ears.
- Child connects between hand and lines on paper or in sand and mud.
- Ordered scribble using basic scribbles such as dots, horizontal lines, imperfect circles, and vertical lines..

Experimentation:

- Child talks about or to their work with fantastic imagination.
- Child connects two lines together to enclose shape.
- Art should not be limited to drawing on paper, drawing and experimenting can also happen in the sand pit, on concrete with chalk, in clay and in a sand tray.

Creation:

- Shapes become more ordered.
- Human figures and houses begin to take form.
- Human figures are extended on to include clothes, ears, rings, etc.
- Children are able to share their experiences with others through visual communication.

WHAT IS MY CHILD LEARNING FROM PLAYING WITH BLOCKS?

Exploration:

- Sucking, mouthing, banging, throwing.
- Picking blocks up and randomly putting them down.

Sorting / counting:

- From container to container.
- Stacking.
- Colour sorting.
- Placing in rows.

Building:

- Unplanned structures.
- With planning and motive i.e., Bridges, windows, and steps.

BLOCK PLAY = MATHEMATICS

- When using number order to count objects children learn how many.
- Noticing and studying shape is important for learning geometry.
- Sorting blocks helps children understand fractions.
- Stacking blocks teaches addition; removing blocks helps children understand subtraction.

PLAYDOUGH RECIPE

Ingredients:

2 cups plain flour
4 tbsps. Crème of Tartar
2 tbsps. cooking oil
Flavouring/ colour
1 cup salt
2 cups boiling water.

Method:

Mix dry ingredients.
Add oil then water.
Stir & kneed until smooth.

Safety tip: Avoid burns and scalds, keep boiling water out of reach of children.
