Section 1:
Corporate Directorships or memberships of a governing body
This section discloses details of any corporation of which a person is a director or a member of the governing body. For example, this includes director, member of a board of directors or other member of a governing body.

Section 2:
Unincorporated associations in which a person is a member and performs in a leadership role
This section discloses details of any unincorporated associations of which a person is a member and in which they perform a leadership role. For example, they do not need to list membership of the local football club if they do not have a leadership role in that club. However, for example, if they hold a position such as President, Secretary or Treasurer then they will need to disclose this here.

Section 3:
Partnerships or joint ventures which they are a member
Provide the details of any
business partnerships or
joint venture of which they
are a member.

Section 4:
Trusts that they are a trustee or a beneficiary of
Disclose any trusts that they are either a trustee or beneficiary of. Self-managed
Superannuation Funds are a type of trust that should be included here.

Section 5:
Previous Paid employment Disclose any previous paid employment in the preceding 6 months where that income exceeded $10,000 in that period. They are not required to include the details of employment with the Council, or any matter the disclosure of which would constitute a breach of a professional or legal obligation (e.g. confidentiality or privilege).

Section 6:
Consultancies, contracts, agents or other (secondary employment) Provide the details of any person or body for whom or for which they are currently acting or have acted as a consultant, contractor or agent where the payments received from that person or body exceed $10,000 during the preceding six (6) months . They are not required to disclose any matter the disclosure of which would constitute a breach of a professional or legal obligation (e.g. confidentiality or privilege

Section 7:
Land you own or have a beneficial interest in Detail any land located within the municipal district of the council or an adjoining municipal district which they own or hold a beneficial interest in (except any interest you have by way of security for any debt owing to you). This includes, for example, land which they own either outright or subject to a mortgage, and land owned by a trust where they are a beneficiary.

Section 8:
Shares you own or have a beneficial interest in Detail any shareholdings owned or have a beneficial interest in where the total value of the company does not exceed $10 million and the combined total value of the shares is more than $10,000. For example, they would need to disclose where they are the beneficiary of a trust which owns shares in the company

Section 9:
Companies which they solely or jointly with family members hold a controlling interest Details of any companies solely or jointly with family members have a controlling interest in. For a full list of what might constitute a controlling interest refer to section 72 of the Payroll Tax Act 2007. This includes more common controlling interests like in the case of a business carried on by a body corporate or unincorporate—that person or set of persons constitute more than 50% of the board of management (by whatever name called) of the body or control the composition of that board

Section 10:
Personal Debt Any personal debt exceeding $10,000 that you owed at the time you prepared this return. You do not declare the value of your debts just the name of the creditor that you have a debt to. The regulations provide exclusions under the definition of debt. This specifically excludes debt owed to a person whose ordinary business includes the lending of money (e.g. Banks, financial institutions)
