

Returning to kindergarten in term 4: Arrival will be a little bit different...

There will be signs on the doors to kindergarten reminding the adult dropping you off and picking you up that only one adult and you are allowed to enter.

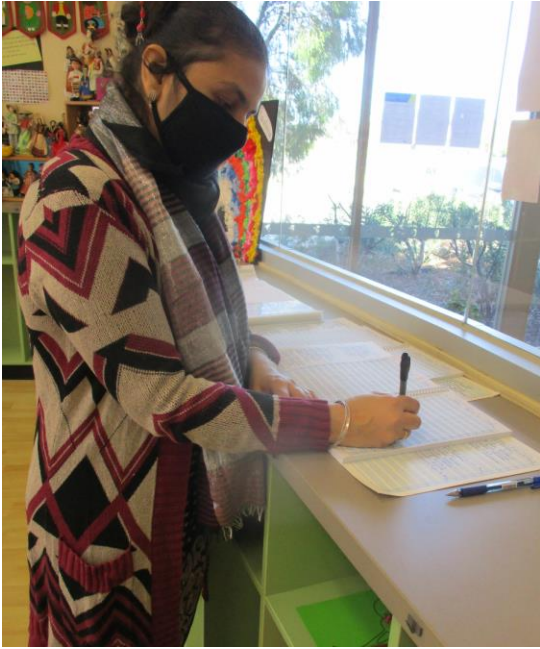

When you walk into the foyer of the kindergarten there will be a hand sanitiser station.

On some days you might have to wait to enter the kindergarten room to begin your day. These stickers will help remind you where to stand.

At the kindergarten room door one of your teachers will welcome you to kindergarten. They will be wearing a mask to take your temperature using a thermometer.

One of your teachers will sign you into the kindergarten's attendance book.

As you enter the kindergarten room one of the teachers will help you put away your bag.

You will then go to the bathroom to wash your hands.

You're now ready to start your day!

See you next term!
