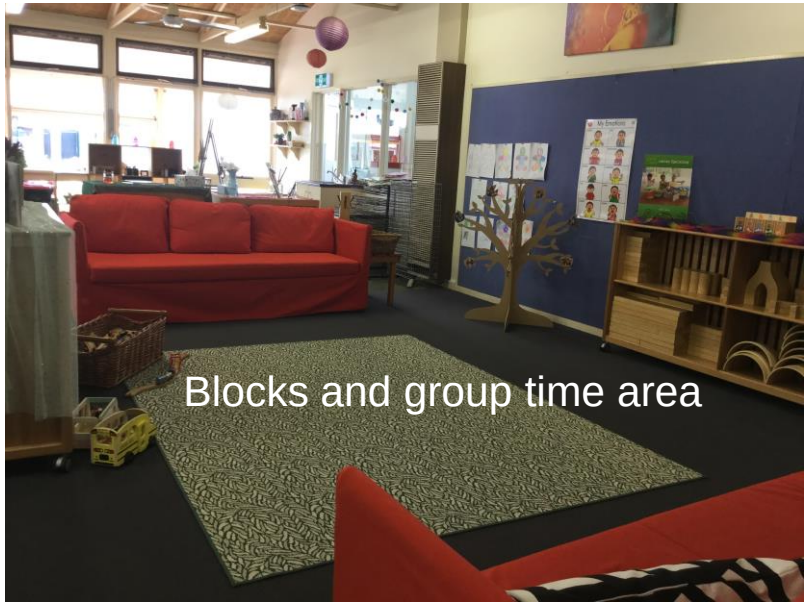
Entrance and Foyer

Children's Locker Area

Upon arrival, the children will store their bag in this area.
Bags should contain lunchbox, water bottle, SunSmart hat and spare clothes.
All personal items should be clearly labelled with the child's name.



Indoor

Interest-based child learning opportunities include activities where child preferences, things a child likes to do, and things that make a child smile and laugh are the building blocks for learning new skills and abilities. The interest area are set up according to child's interests and to scaffold their learning.
