Applications

Applications must be made on the City of Casey application form, and be accompanied by all appropriate documents as included in the checklist below. The application can be lodged by the owner, builder, architect/draftsperson or any properly authorised agent of the owner; however it is recommended that the application be made either by or in consultation with the Relevant Building Surveyor.

The Council is acting in the role of a prescribed reporting authority when assessing these applications and can only address the application to the extent set out in the request. It does not replace or supplement for the Relevant Building Surveyor in determining compliance with other issues and siting provisions of the Building Regulations 2018. An incomplete compliance assessment prior to lodgement of this application may lead to inappropriate decisions and delays in the ultimate permit processes.
