

# Fly Model Aircraft in a Municipal Reserve

## Overview

This form is to be used to apply for an annual permit to fly your model aircraft in a Council park or reserve.

## Permit Fee

**Permit**      \$130.00 non-refundable permit fee

## Application Requirements

To be eligible for a permit, you must provide certain information specified below. Not providing the information will result in a delay or non-approval of your permit application.

- A copy of your Public Liability Insurance policy must be provided.** All applicants must hold the appropriate public liability insurance with a minimum coverage of \$10M.

### **Obligation to Insure**

*The Permit Holder shall at all times during the agreed Term, be the holder of a current Public Liability Policy of Insurance ("The Public Liability Policy") in respect of the activities specified herein in the name of the Permit Holder providing coverage for a minimum sum of \$10M (or more). The Public Liability Policy shall cover such risks and be subject only to such conditions and exclusions as are approved by the Council and shall extend to cover the Council in respect to claims for personal injury or property damage arising out of the negligence of the Permit holder.*

### **COUNCILS INDEMNITY**

*The Permit Holder agrees to indemnify and to keep indemnified, the Council, its servants and agents, and each of them from and against all actions, costs, claims, charges, expenses, penalties, demands and damages whatsoever which may be brought or made or claimed against them, or any of them, in connection with the Permit Holders performance or purported performance of its obligations under this Permit and be directly related to the negligent acts, errors or omission of the Permit Holder. The Permit Holders liability to indemnify the Council shall be reduced proportionally to the extent that any act or omission of the Council, its servants or agents, contributed to the loss or liability.*

## Conditions of Use

- » Aircraft must be flown a minimum of 30m from members of the public, residential dwellings, or other buildings, and children's playgrounds at all times.
- » A noise limit of 98db applies to any aircraft flown, and effective mufflers must be fitted.
- » In the case of radio controlled model aircraft, a model aeroplane is not operated at a height greater than 65 metres above the lowest level of the reserve.
- » Model aircraft may only be flown provided the surrounding's atmospheric conditions are unlikely to render objectionable the noise emitted by the model aeroplane.
- » Aircraft may only be flown between the hours of 9.00 am and 6.00 pm Monday to Friday excluding public holidays; and, 10.00 am to 6.00 pm Saturday, Sunday and public holidays.
- » Aircraft cannot be used for more than two hours in total on any given day.
- » This permit must be produced upon request by an authorised Council Officer, or a Victorian Police Officer.
- » Aircraft must be fully controlled and remain under the full control of the permit holder (or any other person named on the permit) at all times.
- » A hard hat must be worn by the permit holder (or any other person named on the permit) at all times while flying the aircraft.
